

CANDLE KILIM (MAX 16)

The glass of the Kilim scented candle is covered with a gold and colored silk-screen print that represents the floral and stylized motifs of Moldavian carpets. The decoration, delicately applied to the glass by hand in our workshop, is placed in a high temperature oven so that it can perfectly adhere to the material. Its floral and musky fragrance will spread a sophisticated and refined olfactory assortment, in keeping with the richness of the glass decoration.
