

## Tometo Tumbler and Mer Scented Candle

The French brand stands strong in their principles of valuing nature and prioritizing the preservation of its beauty. Brought to life with an extensive assortment of the finest aromas homed in luxurious and sophisticated vessels, Rose et Marius donates to reforestation projects that tirelessly support our ecosystem. So do good while enjoying top of the line home fragrances with the magnificent 'Tometo' candle. Handmade in France, the luxe object delivers in a gift box with a Verveine wax scented candle. Crafted in polished porcelain decorated with genuine platinum, the dishwasher-safe tumbler can easily be cleaned once its sumptuous perfumed wax runs out (upon up to 60 hours of burn time) and then can either be refilled or repurposed as drinkware or an even an organizational object.
