

## Ampolla Diffuser Prugna

With a history that is rich in both tradition and value, each of Riccio Caprese's creations are attentively crafted by the brand's founding artist, Imma Sarnacchiaro, from conception to completion. Born from a profound love for Capri's magical sea caves and marine life, the label specializes in nature-inspired scents packaged in stylish ceramic vessels - like the elegant Ampolla Diffuser. The glass ampoule is topped with a handmade porcelain sculpture adorned with sea life motifs. Its scent is inspired by the Marina of Capri, its notes are stimulating and call to mind the fresh air and classic elegance of the Caprese island.
