

## Candle Holder Corallo

With a history that is rich in both tradition and value, each ceramic piece is thoughtfully and lovingly crafted by Ricciocaprese's founding artist, Imma Sarnacchiaro, from conception to completion. Profoundly inspired by Capri's magical sea caves and marine life, the brand's first creation was its sea urchin, ('riccio' in Italian) now the iconic motif that is synonymous with Riccio Caprese's trademark, along with its recognizable coral figures. Part of the Cera Marina collection, the lively Cera Marina glass candle holder includes a scrumptiously scented candle and makes for a truly awe-inspiring decorative object while enriching any space with an awakening aroma.
